**OPEN ENROLLMENT TRANSFER APPLICATIONS ARE NOW  
AVAILABLE FOR THE 2018-2019 SCHOOL YEAR**  
*School-to-School Transfer Applications are due November 1, 2017*

Applicants: Students who live in the Clovis Unified School District Boundaries

Length of transfer: Open Enrollment Transfers are valid through the 12<sup>th</sup> grade and follow approved boundaries. There is no annual renewal.

Application: Available at any CUSD School Site, the CUSD Website, or Student Services and School Attendance

**Please call CUSD Student Services and School Attendance at 327-9200 for further assistance.**

Please note that all 7<sup>th</sup> through 12<sup>th</sup> grade transfer students may be subject to a period of athletic ineligibility. Please contact the CUSD Co-Curricular Office (327-9227) or your school's athletic director for information regarding athletic eligibility and CIF Guidelines.

All transfer students are required to provide their own transportation to and from school. Open Enrollment applications, once accepted, remain valid until a new transfer is granted, a family relocates to a home outside of their current High School Attendance Area, or until the student is enrolled in a school due to Open Enrollment that also matches their home residence.

**Planning a trip out of town?  
Has your family experienced an  
unexpected emergency?**

If your student will be out of school for a minimum of 5 days, we can arrange an independent study for your student. It's an easy way for students to be able to keep up with their assignments.

**Come by the Cole Office for details.**
