STUDENT PLACEMENT NEEDS FOR THE 2018-2019 SCHOOL YEAR

Each year around this time, many parents start asking questions about their child's placement the following year.

Rumors fly that parents can request a specific teacher for their child. This is simply not the case. **Cole Elementary does NOT accept requests for specific teachers.** Additionally, no other school in the Buchanan area accepts teacher requests. Accepting teacher requests makes it virtually impossible to balance classes, and it can cause hard feelings among staff. Please understand that we have to balance classes by gender, ability level, ethnicity, special needs, behavior, and more. Fortunately, we have an excellent, experienced group of educators who are dedicated to meeting your child's needs. If you have a special concern, a **Student Placement Needs** form on which you may state your concern will be available in the office for the month of April 2018.
