REMIND TEXTS

Due to a new fee imposed by Verizon, Remind can no longer continue providing free text notification for devices on the Verizon Wireless network. As a result, Verizon Wireless customers who use the free Remind Service will not be able to receive or send text messages as of January 29, 2019.

If you have Verizon Wireless as your phone carrier and currently receive REMIND text messages from Cole Elementary, please download the free REMIND app on the iOS App Store, on Google Play, or at rmd.me/a. Make sure to enable push notifications from Remind on your phone.
