Attention 4th-6th grade Parents/Guardians

We're very excited to announce that we've been given permission from the Fresno County Department of Public Health to start "low contact sports" at Cole Elementary. Specifically, physical conditioning, practice, skill-building, and training can be conducted outdoors, with 6-feet of physical distancing, and within stable team cohorts.

For more information, including the required permission slip, please visit cole.cusd.com.

It is time to start Cole's Building Bridges Club via zoom. This club teaches disability awareness, cultural diversity, anti-bullying strategies, and sign language! The mission of this club is to teach full inclusion for all and to "build bridges" between those with varying abilities and differences. This club was designed with 2nd and 3rd graders in mind, but is open to any Cole students with appropriate behavior and attention span.

Our first club meeting will be on Wednesday, March 3rd at 3:30 via zoom and we will meet every Wednesday thereafter unless you are otherwise notified. Zoom link will be sent out once permission slip has been electronically signed.

Sincerely,
Ms. Johnson and Mrs. Hinman
